

Midweek Message -- May 15-May 22, 2022

From your Call Committee . . .

The Call Committee is currently meeting twice a month. On May 9, they met via Zoom with Pastor Glenn Zimbelman who was assigned by the synod to be our Transition Coach. He oriented us to the Call Committee Process and will be our liaison with the Synod office going forward. We ask for your prayers as we discern the right candidate for our congregation. More updates forthcoming in the June Outreach.

A Message from the Personnel Committee and Finance Committee

As everyone is aware, this is a time of transition for American Lutheran. That is true for some of our office staff and business procedures as well as our pastors. The ALC Church Council and the Finance Committee have made the decision to outsource many of the accounting functions of our Church. This will result in improved & professional accounting services to our Church and our members. While we are making this transition, we will be somewhat limited in our ability to respond to inquiries from members regarding financial matters.

Carol Weber, the ALC Treasurer, will have office hours for members' financial-related questions on Fridays during May. Please call ahead to confirm a visit. If she is not available, please leave a message with the Office Staff at 623-974-2512.

Thanks for your understanding in this time of transition.
