News from the ALC Church Council

Thank you to everyone who took time to stop in education A & B for the DREAM session/Table Talk on Palm Sunday. Your inspiration, concern and love for ALC is truly a blessing.

The Transition Team completed their work on the Ministry Site Profile and passed it along to the Call Committee. The Call Committee approved the document at their meeting on April 25th.

Pastor Paul proceeded to the next step and presented the Ministry Site Profile to Council at their meeting on April 26th. The ALC Council unanimously approved the Ministry Site Profile. Pastor Paul submitted the approved MSP to the Grand Canyon Synod for their approval and placement on their website. So, what's next?

The Call Committee will soon receive 2-3 names of Pastors looking for a call from the synod and begin their research and interview process.

Please continue to pray for the Call Committee and the work they do on our behalf as we search to find the right Senior Pastor to lead American Lutheran Church Sun City.

Respectfully submitted: Rita Van Stelle, ALC Council Secretary
